Dear Mr. Preston:

In reference to Mayor Stanley M. Makowski's letter of November 17, 1976, we are most willing to receive the "Moon Tree" Sycamore seedling to be planted next Spring at a suitable site on City property.

Please advise us as to what steps should be taken to procure this tree.

Once again, we appreciate your selection of Buffalo as the future home of this historic tree.

Sincerely,

Gus Franczyk
Commissioner of Parks
