SUBJECT: "Moon Tree" seedlings

TO: All State Foresters
Field Offices

At the "Moon Tree" planting ceremony held recently in Washington Square, Philadelphia, Pennsylvania, Chief McGuire offered moon seedlings to States that have appropriate Bicentennial celebrations. Several hundred seeds of loblolly pine, sycamore, Douglas-fir and redwood accompanied Stuart Roosa to the moon on Apollo 14. Seedlings grown from these seeds are available to you.

11 Please contact this office for additional information on obtaining a "Moon Tree" seedling.
